The Friends of Bahia Honda are excited to offer personalized bricks as part of our Walkway to the Sea brick paver project. This project will help beautify our park and provide lasting memories for our many visitors for years to come. This walkway is a chance to have great local and global support while making the park beautiful and more accessible to all. The commemorative bricks are 4" x 8", beautifully crafted with a customized message rendered with state-of-the-art laser engraving. Each paver can be inscribed with up to 3 lines, up to 22 characters per line. Our Walkway bricks are \$75 each, with a "mini" brick of your message available for an additional \$20. **NOTE: Because we order bricks in bulk it can take up to 9-12 months from when you order the brick until it is installed in the Walkway. This time frame also applies to the mini-bricks.** We hope you'll join us, helping Bahia Honda State Park with a gift that enhances the park while commemorating your moments here with family or friends. We respectfully request that you do not submit requests for Memorial Bricks as they are not allowed in state parks, e.g. in memory of/in loving memory etc. Please plan your engraving accordingly.
